

Parking Info

Here is where you can park all day for \$8:

Lots and Ramps:

This would be my first choice:

The C ramp is very close to the studio. The early bird rate (enter ramp between 6 and 9) is \$8/day.

This still isn't too far away:

Lot 4, which is within easy walking distance of the studio, is \$8/day.

Meters:

Click the North Loop icon, then you can get the meter rates by clicking the red and blue lines. I'm close to 3rd Ave N. and Washington, and the meter rates are \$3/hr on 3rd, and \$2/hr on Washington. There are \$.50/hr meters where the blue lines are, if you like to walk.
